

Asilia Tanzania Safari a very special trip!

Wake up to the sound of nature and watch the wildlife eating breakfast on the open plains. You'll visit Arusha, Tarangire, Ngorongoro, Serengeti and relax in Zanzibar. Some of the highlights for this 11 night itinerary:

- Charter flights to the camps.
- Walks at Oliver's in Tarangire and at Mto wa Mbu near Lake Manyara.
- The crater and Olakira (which is perfectly positioned in the Dec-Mar period to see the migration).
- Fly camping in Tarangire is a wonderful way to sleep under the stars and enjoy the pure tranquillity and raw excitement of the bush. Ten foot square tents made of heavy duty mosquito mesh ensure that you are close to nature but apart from only bugs.
- Zanzibar beach extension to the gorgeous Matemwe Bungalows.

Special prices apply for period 1-31 Dec 2009 & 6 Jan – 31 Mar 2010. [Download your itinerary now.](#)
