### KINASI NATURE TRAIL and BIRD-WATCHING WALKS

There is a great deal to see and learn along our nature trail and the fields and bushland in the environs of Utende village are rich in a wide variety of species of birds, while the reef flats are alive with waders. These walks can be arranged at any time with our personal guides on request. There are copies of the *Mafia Island Bird Checklist* in the Kinasi Library, as well as binoculars.

### "Friends of Mafia

We want you to see and do as much as possible while you are in Mafia and take away as many good memories as you can pack into your time with us, so please enjoy our services....." Peter Byrne
